

As survivors, we are entitled to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

If you are a survivor of domestic violence offenses, sexual offenses or stalking the **Arizona Address Confidentiality Program (ACP)** can help you protect your privacy and exercise your right to vote safely.

WHAT IS AN ADDRESS CONFIDENTIALITY PROGRAM (ACP)?

Address Confidentiality Programs (ACP) protect survivors and their families from abusers by providing a legal substitute address to replace their existing address. This helps keep their real address out of public records.

ACP addresses are NOT public record **and** may be used for court and government records (e.g., driver's licenses; voter registration; etc.). The ACP forwards all first-class, registered, and certified mail to a survivor's real address, free of charge.

WHO IS ELIGIBLE?

- + Survivors of domestic violence, sexual offense (such as rape, sexual assault, molestation), or stalking
 - + Co-applicants (children or adults) can be listed on the application if they reside with the applicant
- + In fear for their safety;
- + Relocated in the past 90 days **or** planning to relocate to a place unknown by the perpetrator, within Arizona;
- + An adult, or a parent or guardian acting on behalf of a minor or incapacitated person (victim of the crime).

VOTING AND THE ARIZONA ADDRESS CONFIDENTIALITY PROGRAM (ACP)

HOW WOULD I REGISTER TO VOTE OR UPDATE MY VOTER REGISTRATION INFORMATION?

As an ACP participant, you can register or re-register to vote as an ACP Protected Voter through the ACP.

ACP Protected Voters can participate in national, state, and local elections without endangering the confidentiality of their actual (confidential) address.

Participants should only register to vote through the ACP process. If you register outside of the ACP process you will be required to provide your actual (confidential) address in which case ACP staff cannot guarantee the protection of your record.

HOW WOULD I CAST MY BALLOT AND KEEP MY INFORMATION CONFIDENTIAL?

If you were already registered to vote before becoming an ACP participant, the Secretary of State will work with your County Recorder to revise your voter registration record so that your actual address can be kept confidential.

If you were NOT already registered to vote before becoming an ACP participant, you can register to vote using your substitute address and address confidentiality program card. However, you **must** provide the election official with your actual address so that they can determine your voting district. The election official will keep your actual address confidential from the public and will use your substitute address for all other, election-related purposes.

WHAT HAPPENS IF MY PREVIOUS REGISTRATION HAS OR MAY HAVE BEEN POSTED ONLINE?

Upon your request, a government agency must redact your actual (confidential) address from any agency record that was created up to 90-days prior to your ACP enrollment. Your enrollment / issuance date is listed on your ACP authorization card as "DOI".

HOW WILL MY INFORMATION SHOW UP IN A FUTURE VOTER REGISTRATION SEARCH?

Registering as an ACP Protected Voter ensures that your actual (confidential) address will not appear on any public voter lists.
