

As survivors, we are entitled to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

If you're a survivor of domestic violence, the **Arkansas Address Confidentiality Program (ACP)** can help protect your privacy and provide a way to safely exercise your right to vote.

WHAT IS AN ADDRESS CONFIDENTIALITY PROGRAM (ACP)?

Arkansas does not have a fully developed Address Confidentiality Program (ACP). However, the state does have a confidential license registration program to assist in address confidentiality.

The Arkansas ACP is administered by the Office of Driver Services. Participants in this program are issued a driver's license or identification card that displays a post office box instead of their actual address.

VOTING AND THE ARKANSAS ADDRESS CONFIDENTIALITY PROGRAM (ACP)

HOW WOULD I REGISTER TO VOTE OR UPDATE MY VOTER REGISTRATION INFORMATION?

Arkansas does not have a fully developed Address Confidentiality Program (ACP). However, the state does have a process for survivors of domestic violence to become “secure voters.”

A “secure voter” is a registered voter who is a documented survivor of domestic violence and requests to have their address protected from public release. To apply, you must:

1. Be registered to vote
2. Provide any of the following documentation to establish you are a survivor of domestic violence:
 - a. A final court ruling pursuant to **§5-26-301 et seq.** Domestic Battering and Assault;
 - b. A copy of an order of protection under the Domestic Abuse act of 1991, §9-15-101 et seq.; or
 - c. Any court order or ruling that establishes you are a survivor of domestic violence.

Apply to be a “secure voter” 30-days or more before Election Day (i.e., anytime before Fri. 10/4/24) at the **Office of the County Clerk** in the county where you are registered to vote.

HOW WOULD I CAST MY BALLOT AND KEEP MY INFORMATION CONFIDENTIAL?

A registered “secure voter” must follow all **voter identification requirements** when casting a ballot.

HOW WILL MY INFORMATION SHOW UP IN A FUTURE VOTER REGISTRATION SEARCH?

Once you are registered as a “secure voter,” your address information will not be included in the precinct voter registration list. Additionally, any documentation you provided to the County Clerk (e.g., court ruling, protection order, etc.) will be kept confidential with your “secure voter” registration.
