

As survivors, we are entitled to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

If you are a survivor of domestic violence, harassment, human trafficking, intimidation, invasion of privacy, sexual assault, and stalking, the **Indiana Address Confidentiality Program (ACP)** can help you protect your privacy and exercise your right to vote safely.

WHAT IS AN ADDRESS CONFIDENTIALITY PROGRAM (ACP)?

The Indiana Address Confidentiality Program (ACP) is a free program that provides survivors a confidential address through the Attorney General's Office.

ACP addresses are NOT public record and may be used for court and government records (e.g., driver's licenses; voter registration; etc.). The ACP forwards all first-class, registered, and certified mail to a survivor's real address, free of charge.
