

As survivors, we are entitled to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

If you are a survivor of domestic violence, rape or sexual battery, stalking, or human trafficking, the **Kentucky Safe at Home Address Confidentiality Program (ACP)** can help you protect your privacy and exercise your right to vote safely.

WHAT IS AN ADDRESS CONFIDENTIALITY PROGRAM (ACP)?

Address Confidentiality Programs (ACP) protect survivors and their families from harmful individuals by providing a legal substitute address to use instead of their existing address. ACP addresses are NOT public record and may be used for court and government records (e.g., driver's licenses; voter registration; etc.). The ACP forwards all first-class, registered, and certified mail to a survivor's real address, free of charge.
