

As survivors, we are entitled to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

If you are a survivor of domestic violence, rape, sexual assault, human trafficking, or stalking, the **Missouri Safe at Home Address Confidentiality Program (ACP)** can help you protect your privacy and exercise your right to vote safely.

WHAT IS AN ADDRESS CONFIDENTIALITY PROGRAM (ACP)?

Address Confidentiality Programs (ACP) protect survivors and their families from harmful individuals by providing a legal substitute address to use instead of their existing address.

ACP addresses are NOT public record and may be used for court and government records (e.g., driver's licenses; voter registration; etc.). The ACP forwards all first-class, registered, and certified mail to a survivor's real address, free of charge.

WHO IS ELIGIBLE?

HOW WOULD I REGISTER TO VOTE OR UPDATE MY VOTER REGISTRATION INFORMATION?

Your application assistant can help you register to vote or update your voter registration when you complete your ACP application. Your assistant will submit the completed voter registration application to the Secretary of State with your completed program application.

If you do not register to vote with your ACP application, you can still register to vote through Safe at Home. Click here for [post-application voter registration instructions](#).

You may vote in-person or absentee using your Safe at Home voter code and substitute address.
