

As survivors, we are entitled to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

If you are a survivor of domestic violence, sexual assault, stalking, or human trafficking, the **Oklahoma Address Confidentiality Program (ACP)** can help protect your privacy and provide a way to exercise your right to vote safely.

WHAT IS AN ADDRESS CONFIDENTIALITY PROGRAM (ACP)?

Address Confidentiality Programs (ACP) protect survivors and their families from harmful individuals by providing a legal substitute address to use instead of their existing address.

ACP addresses are NOT public record and may be used for court and government records (e.g., driver's licenses; voter registration; etc.). The ACP forwards all first-class, registered, and certified mail to a survivor's real address, free of charge.

VOTING AND THE OKLAHOMA ADDRESS CONFIDENTIALITY PROGRAM (ACP)

HOW WOULD I REGISTER TO VOTE OR UPDATE MY VOTER REGISTRATION INFORMATION?

As an ACP participant, you can apply to vote as an absentee voter through the State Election Board using your ACP authorization card and substitute address. Once you register, you will receive absentee ballots by mail for all local, state, and national elections you are eligible to vote.

The ACP is responsible for notifying the State Election Board when your (1) program certification has expired; (2) program certification has been withdrawn or canceled; (3) absentee ballot is returned non-deliverable; (4) residence address changes.

HOW WOULD I CAST MY BALLOT AND KEEP MY INFORMATION CONFIDENTIAL?

Voters who became registered to vote as an ACP participant may vote only by absentee ballot. This will ensure your information remains confidential. You will receive absentee ballots by mail for all local, state, and national elections you are eligible to vote.

WHAT HAPPENS IF MY PREVIOUS REGISTRATION HAS OR MAY HAVE BEEN POSTED ONLINE?

The ACP can only protect registration that occurs after you become an ACP voter. Any previous registrations you may have completed before joining the program cannot be removed from public records.

HOW WILL MY INFORMATION SHOW UP IN A FUTURE VOTER REGISTRATION SEARCH?
