

Survivors are entitled to register to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

South Dakota does not offer an Address Confidentiality Program (ACP) but does have other privacy protections to assist in voter confidentiality.

WHAT ARE MY VOTING RIGHTS?

SL 2021, ch 61, § 1. *Secured Active Designation*, allows any South Dakota eligible voter who lives in a victims' services shelter or who has obtained an active protection order to apply to be listed in the voter registration file with a "secured active" voter designation.

WHAT ARE THE PROGRAM DETAILS?

South Dakota's Secured Active Designation program protects survivors of domestic violence, stalking, harassment, and rape from harmful individuals by preventing their actual address from being listed in voter registration records that are made available to the public.

HOW DO I APPLY?

Survivors **apply** to the Secretary of State's Office. If accepted, the "secured active" designation will remain in effect for 5-years.
