

As survivors, we are entitled to vote without sacrificing our safety. Our voices will be heard, our stories will not be ignored, and our votes will be counted.

If you are a survivor of abuse, domestic violence, human trafficking, stalking, sexual assault, sexual offense, or child abuse, the **Utah Safe at Home Address Confidentiality Program Services** can help you protect your privacy and exercise your right to vote safely.

WHAT IS AN ADDRESS CONFIDENTIALITY PROGRAM (ACP)?

The Utah Safe at Home Address Confidentiality Program protects survivors and their families from harmful individuals by providing a legal substitute address to use instead of their existing address.

Safe at Home addresses are NOT public records and may be used for court and government records (e.g., school district records; etc.). Safe at Home forwards all first-class, registered, and certified mail to a survivor's real address, free of charge.

WHO IS ELIGIBLE?

- + Utah residents who are:
 - + Survivors of abuse, domestic violence, human trafficking, stalking, sexual assault, sexual offense, or child abuse
 - + Fearful that the abuser would harm them if they knew where they lived
 - + Planning to relocate within 90 days or already live at an address that is not known to the abuser
 - + A parent/guardian acting on behalf of a minor or an incapacitated individual, OR a member of the same household as a program participant.
